TELEPHONE BUSINESS OFFICE TO NEW DIAL BUILDING

On Monday morning, August 20, the telephone business office will be located in the new dial telephone building at 320 South Main Street.

Bright, roomy office space has been provided there—designed for comfort and convenience for those who come to transact telephone business.

We are sure you'll like it.

The business office move is part of the program that will bring dial telephone service to Hope. Present plans call for the dial telephones to begin operation at midnight on October 27.

And Hope will have one of the finest telephone systems in the country.
